

Hvordan endre språk til Norsk i AGNAV

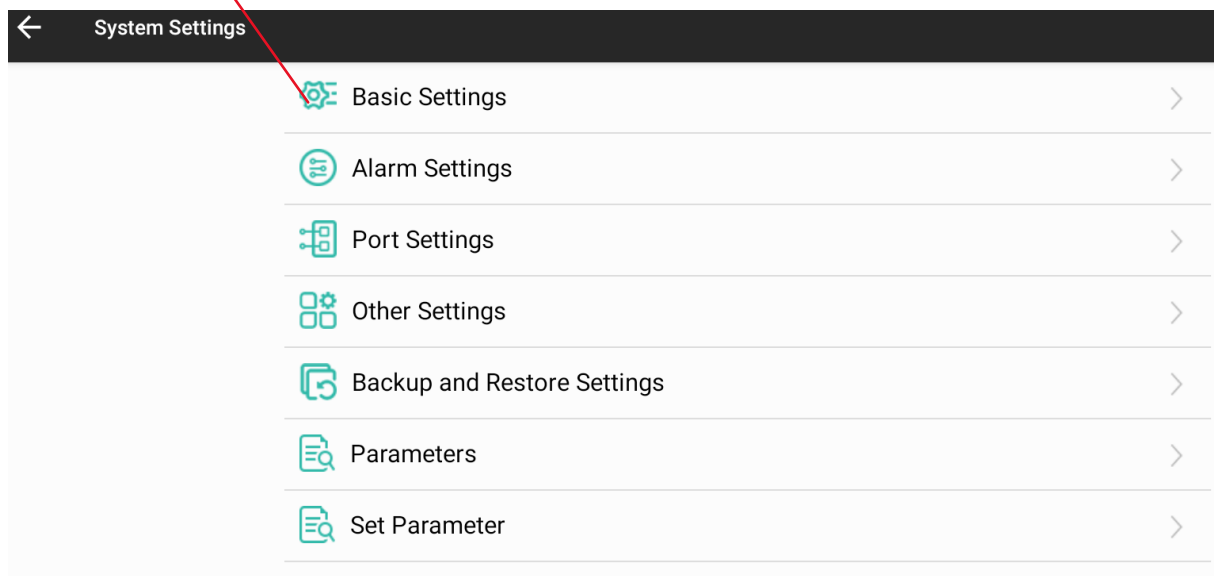

Når du er i hovedskjermen (som vist i bilde 1) velger du knappen **System Settings** nederst til venstre .

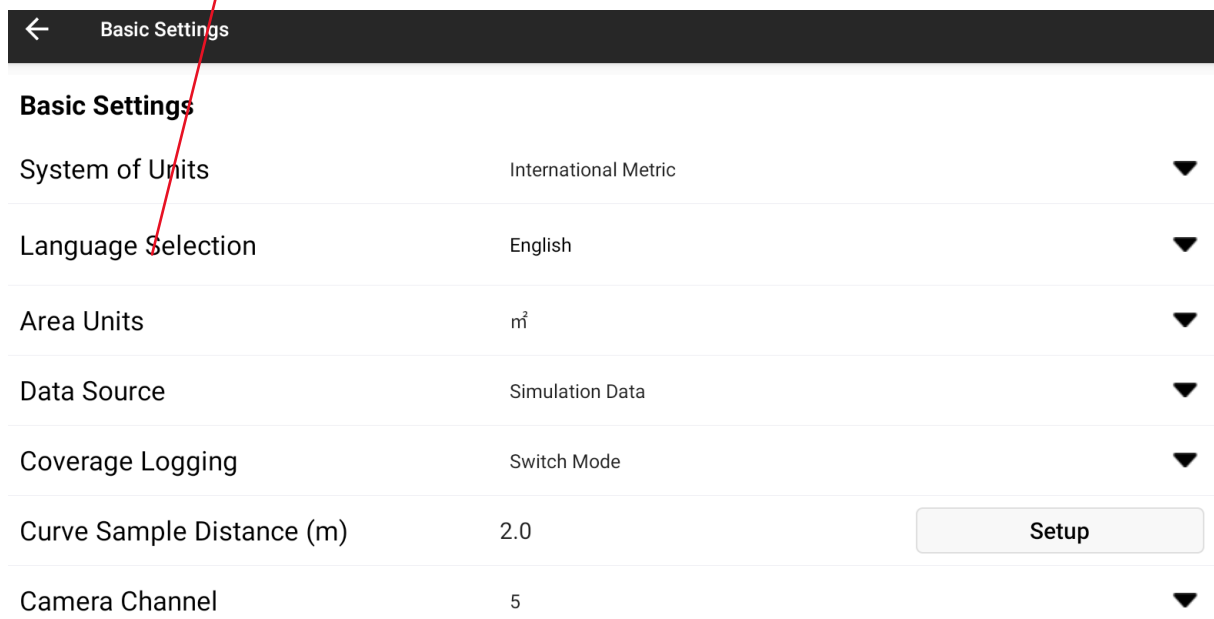

Da kommer du inn i system settings og velger da **System settings** knappen nederst i midten

Velg her **Basic Setting**  Basic Settings

Deretter **Language Selections**. Trykk på  for å finne språket du ønsker.

Lykke til!
